

THE CHURCH

1. Read Acts 2:41-47 and discuss what this shows us about the first church.
2. Draw a circle to represent the church. From Acts 2:41-47, look for the things that are happening in the church. Put them in the circle.
3. Apply:
 - Discuss the benefits of this type of community. If your mentee does not have a church, help them to find a church with this type of community.
 - Ask them if they have been baptized. Help them make plans to do so. If they are not ready, help them process through what is stopping them.
